PEST ENTRY

"Actually, it's just a show car!"

All right, Pests & Pestettes — this is the place and here's the plan. You sit yourselves down and scribble (we prefer typed notes) up a storm like as follows: **HOT CARS ARE MY HANG-UP BECAUSE...** and then you proceed to try and psych us out on the whole subject in 50-words or less. You can be truthful, dishonest, realistic, fantastic or just about any-way you like — so long as your miserable letter is wild enough to be considered worth reading and, maybe, worth publishing. There'll be three cash prizes for the three letters selected as the winning entries. 1st-prize, \$15.00. 2nd-prize, \$10.00. 3rd-prize, \$5.00. Because I'm keener than most, there'll be a Loser Prize of a year's free subscription to HRC for anyone who manages to miss the coins but whose letter is still gassy enough to stand out in the crowd of mail jamming this stretch of printed asphalt. So get into gear and like Go! The subject will change from issue to issue and you may be just wordy enough to make Topic Eliminator if you try often and hard. Winners' names will begin appearing here in the July '67 issue of HRC. You're on the line, you've got the green-light — it's time to smoke-off with that letter! Last one to the old shut-off area is a dirty Essex-lover! Meanwhile, here are some unreal thingies to wipe your eyes on...

What do you mean by telling Mike Calame (March HRC) that slots are for wimps? I'm probably the best Thumb in my neighborhood and I'm 37-years old, see? Now what do you say about slots?

RICHARD MOORE
Evanston, Illinois

Okay, so slots are for 37-year old wimps, too.

Hey, you dumb guy! What's wrong with Pest Entry being a pen pals thingie as well as being a

place where guys can talk about the kind of cars they like best, anyway? What are you — some sorta grouch or something? You better print my name & address if you know what's good for you! All girls write *immediately* and ignore this stupid new editor who ain't as cool as Pappy was.

NAME & ADDRESS WITHHELD BY SOME SORTA GROUCH

Eat your heart out, baby.

I read your mag every chance I get, and want to tell you how much I dig it. Then, I want to thank all the guys who stick up for us girls when it comes to girls' hot rod clubs. There's nothing wrong with it. I think you guys are just afraid that if you drag a girl — and she wins — that all the other guys might put you down! Some of the guys that write-in are just trying to get girls for pen pals and to defend their rights are out of it as far as I'm concerned. I agree with that guy who wrote in the January HRC: "This is a car mag, not a lovelorn column." Just because we girls talk about our guys' cars doesn't mean we have to know how to tear the dragging engine apart and rebuild it, or dyno tune it and get all the available h.p. out of it.

SUE DRAKE & CAROL WETTERMAN
13003 Osage Road
Apple Valley, California

Very cool, sweets. All Nurds kindly note this note.

Man, your March HRC was real *nothin'* compared to the wildy books Pappy Lemmons useta put out for us fans. Why don'tcha get Pappy back and you go play on the turnpike? How about that?

JOHN CONDON
Parma, Ohio

Listen, I can hardly get Pappy to leave his cozy pad long enough to bring-in those choice cartoon stories, he's so wailin' happy with freelancing.

I'm a Chevy-lover and I can't stands Fords; although I do sort of like (not love) Mustangs. Any other Fords ROT!

CHRIS PORCARI
46 Haigh Avenue
Schenectady, N.Y. 12304

Well, that's YOUR problem.

You Ford cats must think you and your company are the best. Well, I don't, and that term — "Ford has a better idea" — really gets me. (I'm a Chevy man, see?) Where do you think Ford got the "better idea" of hidden headlights on the new T-Bird? From the good old CORVETTE, that's where! And they're so dumb they couldn't even make the whole unit move! Just the grille cover!

BOB PRESTON
847 Livingston Avenue
Albany, N.Y. 12206

Okay, chalk up a point for the Chevy-lovers.

I agree, like give Nelson Dewey 10-points for THE GREAT MATCH RACE. But make this D.B. Gremrot nurd read Brand-X if he doesn't like your mag. That kid has flipped his cod if he wants to leave out

girls. People like Gremrot is what this country *doesn't* need. I have girls and my supercharged 312-hauler will eat anything *he's* got for lunch! Tell Steffenhagen his cover is the Most!

MIKE PATTON
Box 247
Wooster, Arkansas 72181

You trying to give Steffenhagen a fat-head, kid?

Mr. Kohler, I can't keep up with you. First (a couple of years ago), you were UNK Kohler with Them Varmints. Then, you vanished and were like gone for awhile. Then, Pappy splits and you show up again — editing HOT ROD CARTOONS, SURF-toons and SKIttoons yet! What's going on, anyway? Who are you, really?

SHIRLEY FERRELL
San Diego, Calif.

I dunno... but I'm like all over the place, ain't I!

Man, like I got the November issue of your rag and I think that kid, David Roberts, is what I call in his right-mind. In fact, I think those men in the white asbestos suits are going to catch-up with him sooner or later. I say... *thumbs down* to any Ford-lover. Anyway, I'm hunting for any well-arranged girl types between 12 and 13 to write-to because, like I said in my other letter, I'm all for you girl types!

JIM GROSS
Albany, N.Y.

Oh, what a SHAME! He FORGOT to include his street address and now all those girl types won't know WHERE to reach him. Tsk, tsk, tsk.

Your magazine is more than great. Me and my friends are reading it since last year. I also read CARTOONS which is bigger, too. I like very much Nelson Dewey's art, and also Boatman's, Barnett's, Lemmons' and Hinton's are very good, too. We have not here a real Hot Rod, but we run with Porsches

and others foreign cars (Alpines, Abarths, Ferraris, etc.). I, myself, have a VW with a hot 1500-Porsche engine, with an Isky cam, magneto and supercharger. The girls *here* driven very bad because this, I think, is better for her to play with dolls. I am twenty and will answer any letter send to me.

GODOFREDO de CERQUEIRA LEITE
Rua Canning No. 26,
Apt. 502
Ipanema, Estado da Guanabara, Brazil

Before any of you nurds start hooting at his English, ask yourselves how GOOD your letter would be if you wrote it in HIS language. Godofredo-baby, the dolls here drive like demons and the BOYS play with dolls.

It's real bichen to have you back running the funnybooks, Kohler. Missed you like everything and all my girlfriends agree that you really come on the coolest! Here's a big kiss for you, man! Tell old Pappy we still love him, too, and will be looking forward to reading his wild stories!

LONI MAE INGERSOLL

If I tell Pappy a thing like that, he'll be back pound-ing on the office door and trying to have ME sent into the weeds, sweets. Thanks for your nice words and good reading.

I wish to thank Mr. Nelson Dewey for THE GREAT MATCH RACE story. It was the most. I'm 18 and like all kinds of sportscars. I just sold my MG-TD which I raced. Am now on an Austin-sedan race setup. Anyone who likes sportscars and English motorcycles please write to me.

CHRIS PAGE

You don't DIG street-rods, man?

All intelligent, beautiful and hip girl types who want to correspond with four really cool guy types (who recently started organizing *The Psychotic Salamanders* — a music group), please send your notes to the address below. Don't let the fact that one of our group is closely related to the *editor* of this wheeling rag keep you from having us for your admirers. Okay? We think girls should be allowed to race their engines!

Hey, WATCH it, you musical nurds! No freaking-out HERE!

You really have a great mag! I always read it and I think it's just a blast! I'm a Brazilian girl. I like cars, Hondas, surfing, wild music, boys and many other things. I'm 14-years old and I'd like to correspond with guys & girls. I have brown eyes and brown hair. I'll answer *all* the letters so *who* wants to corre-

spond? *Here I am!* Man, I have only to say that your mag is BOSSSSSSSSSSSSSSSSSSSS!

MARIA LUCIA CARVALHO
Fonte da Saudade, 197
Lagoa - Rio De Janeiro, Brazil

Well, what are you guys WAITING for?

What's the matter with you guys that you don't like Pontiacs? If you ask me, I think they're just stupendous! I never see any letters from Pontiac-lovers so I thought I'd start something. Chevys are okay but I hate Fords. I think we all agree on VWs. I consider VW varmintmobiles. Anyway, I think your rag is tough (a little rare, too).

MARK SOSENHEIMER
127 West Fleming
Fort Wayne, Indiana

Oh, yeah? Well, I LOVE Volkswagens, see?

Man, your HOT ROD CARTOONS is a sad rag compared to Unk Bonestell's really cool CARTOONS. Even the SURFtoons rag don't begin to *touch* CARTOONS and that's a fact! Why don't you quit and stop trying to beat the *best* there ever was and still is - CARTOONS! You don't have anything to match them rowdy lil' old Varmints. And who *cares* what Chevy-lovers think about Ford-lovers, anyway?

LELA HOWLUND
Reno, Nevada

Well... I care, doll.

I like *all* cars. Fords, Plymouths, Buicks, Hudsons, even Volkswagens - they're all great. Take my car, for instance: it's a 1956 Plymouth with a Dodge mill, a Chevy radio, a Ford antenna, Chrysler paint and Studebaker wheels! That's how unbiased I am! (It's for sale, incidentally). Along with cars I also like *all* girls - they're all great. Blondes, Brunettes and Red-heads. If they happen to own a car, they're the *greatest*! I even like your magazine... well, at least it's better than calculus or chemistry. And don't forget surfing: it's great, too. Now, if you'd like to write to a very agreeable guy, why not write to *me*?

ART MEIERDIRK
838 B Grant Towers S.
Northern Illinois University
Dekalb, Illinois

This guy has GOTTA end up President and all with a political touch like THAT!

Thought I'd write a little note to tell you that I think HRC is the neatest mag around. I like Fords and girls, provided they know something about what they're doing.

BILL HANKINS
821 St. Louis Avenue
Excelsior Springs, Missouri

Never saw a Ford yet that didn't know what it was doing but I've spotted an occasional Cadillac that LOOKED confused, man.

I happen to become the owner of your November trashcan liner. (It was given to me by an enemy. You don't think I'd spend my own coins on it, do you?) I got sort of torqued-off by Paul Whatzizname.

If I wrote stuff like that about GM cars, I wouldn't include a return-address either. What's this long-stroke valve bit? I should hope his phoney 426 Hemi could shut-down a little 283. I wonder how he would do against a 1000-hp rail-job? Okay, now that I've cut down your readers, I guess I'll start on you. Thought the DRAFT-DODGERS was in the tight groove. Too bad they didn't have a Dodge Rebellion a few years ago. Tell GRANNY McGO that she should try *Dramamine*. It's the greatest! I'm open to criticism but don't get nasty: I'm only 20. Keep up the good garbage. By the way, how do I get a subscription to your creepy mag?

JOHN SCHROEER
J.D. SHROEER, AT3 7942751 USN
VF-213 USS Kitty Hawk (CVA-63)
c/o FPO San Francisco, Calif. 96601

Say, you're REAL officer material. Surely there must be a special school to orient you to the fine old science of buying a subscription. Check with the Chaplain and see if I'm not right.

Girls are *swingers* - whether racing, watching cars or anywhere! And I think any boy who says girl types shouldn't race is either a coward or just plain blinky. Me and my friends like girls - no matter *where* they are or *what* they're doing!

FRANK HOSNER
Route-1, Box #76
Sublimity, Oregon

Even when the little darlings are sitting in YOUR iron but winking at the guy in the OTHER car?

Okay, you guys out there in pencil-scratching land. Me has wrote ya four times! Still no dice getting into your rag. In other words, ya rats, you think Florida ain't no good! You're all crooked up. I dig your Nelson Dewey. He swings the pen something fierce. Well, I'll buy your rag every month even if ya don't put my letter in your trash section! How's *that* for loyalty?

FRED ROOT
335 7th Street, S.W.
Winter Haven, Florida

You got us all wrong, man. We think Florida is ALMOST as good as California.

Like man I dig your HRC (*Oh, brather — anather hippy!*) They're like outa this world! (*Yeah, a REAL hippiroony.*) I just finished reading your November copy. (*You read SLOW, huh?*) It was a gas! (*Now THAT'S original!*) I'm all for Fords. (*Okay.*) Man, they're the greatest! (*Somehow, I KNEW you'd say that, sweets.*) For all you old Chevy-lovers — you're outa your tree! (*Be nice now.*) Hey, all you boys who are 12 to 14 — write to me! I have blonde hair, blue eyes and I'm five-feet/four-inches. Okay? Like I hope so! (*Sure you do.*)

LINDA BOWSER
Estell Manor, N.J.

Big joke. No full address. Lordy, there must be a MILLION just like her, sitting around thinking up letters like that — and poor old HRC will probably get them all.

Kohler, I PROTEST!

LAWRENCE PERTRELLE
San Francisco, Calif.

Well, that's KEEN, Larry. Next time, force yourself to give us the whole story, huh?

Luv your mag, dad. It's so far out I gotta take somemore of those little yellow pills to come back down again. Pussycat (Brando) Hinton sure knows his bananas about *sheens*. Us rebels who really dig bikes, dig Hero Hinton. We know a rebel with a Cause. Tell all them girl-haters that I think they should see a head-shrinker because everybody (men, anyway) need the dolls and they should be included in the rodding and riding and stuff. They're great types. Whip it on them, man. I love Chevies. I love 327s, I love my fuely old 'Vette. *Triumph TT* also are very in. Anybody want a challenge? Thanks for a trip that was out of sight. I mean, for 35-coppers you can't go wrong — not even if you had a 3-page foldout of a Ford-lover every month!

ROBERT W. BUTT

The terrible truth is, man, nobody could get Hintan abaard a chapper even if you promised to let Saphia Laren sit behind him all the way.

You probably won't print this but I happen to think that any girl who puts her name and address in your corny Pest Entry section is nothing but a very cheap person who has absolutely no respect for herself — and most of my friends happen to agree with me about this. It's a well known fact that all kinds of creeps and weirdos like to get girls' addresses so they can write dirty things to them — and you're just helping these criminals have a lot of fun with stupid girls who let their addresses be printed. Have you ever thought about that? I'll bet you haven't. Anybody so dumb they have to edit a funny-book for a living probably hasn't got enough brains, anyway. You ought to be very ashamed of yourself. If you print my address, my father will fix you. He's a lawyer, too.

REGINA SMITH
Eugene, Oregon

Will you creeps and weirdas and criminals please stop writing those TERRIBLE nates: you guys are gonna get me sued yet.

Like I have purchased a couple of ishes of this great mag and I dug all the letters, and it's time I mouthed a few vibrations. I am nat a VW-lover. I'm just saying they'd be all right if the mill was up front. And them nurdz who think broads shouldn't drag have flipped their blowers. To you Chevy-haters, I sav dig the *Chapparal*: I'll bet it can whop the Ford-GT any day. Up with Arfons!

B. B. SHORT
203 Hawthorne Avenue
Larkspur, Calif. 94939

Breedlove ain't gonna like THAT, man.

... and that's the end of the race for this time, you pesty entries. Don't forget to give our HOT CARS ARE MY HANG-UP BECAUSE gig a whirl. Might win yourself some coins. Remember, just make with 50-wards or less (the fewer the better, if you want an inside tip) and mail the thingie right away so it'll qualify for judging in time for the next issue. Any other letters will be welcome, toa. Be laaking for you ta come starmin' through the mails!

WHEELIE-WISE

Lyrics: B. L. Dawson
 Grnbbies: H. S. Hinton

Tune Up Time

If the sound of mumbling mills is music to your iron-mad ears, you oughta lose your wheel-lovin' mind over the following little numbers. Hanging new words on the Old Songs is a wild modification that only guarantees that the mellowditty like lingers on . . .

FINANCIALLY FICKLE

(Beautiful Brown Eyes)

Beautiful, beautiful Cobra,
 Beautiful, fast little Cohn,
 Beautiful, beautiful Cohra
 I'll never love Flnthends agaln.
 Sometimes I drive in the country,
 Sometimes I drive in the town,
 But I no longer tool my sick Flathead;
 My Cohra is better all 'round.
 Beautiful, beautiful Cobra,
 With this gem I'll always win.
 Hard-charging, powerful Cohn,
 I'll never lve Flatheads again.
 I went for a ride in my Cohra,
 I hlew up the four-speed bnx.
 Four-hundred coins for a new one,
 My Flathead went into hocks.
 Beautiful, beautiful Cohn,
 Expensive so far you've been,
 Beautiful, beautiful Cohra.
 But I'll never love Flathends agnin.
 I went to the drags in my Cohra,
 That was n dny of woe,
 I lnehed-out the engine while draggin';
 Another will cost too much dough.
 Beautiful, beautiful FLATHEAD
 Beautiful, CHEAP little Flathead,
 I'll aever love Cohras again.

FRUSTRATION IS A FLATHEAD

(I'm Lookin' Over A Four-Leaf Clover)

You are a fathead — you own a flathead,
 You're square, you don't know the score.
 One, they're outdated;
 Two, they're too slow;
 Three, they are hated
 By engines that go.
 Four is remaining (I'll start explaining),
 You'll see why I wish them dead;
 I'm down on flatties, the dirty ratties,
 'Cause they WIPED-OUT my OVERHEAD!

GUNG HE

(Marine Hymn)

From the pits of San Fernando
 To the sands of Banneville,
 I shall break existing records:
 I shall have the better mill,
 First to streak a grand-per-hour
 I'll be the fastest man alive,
 I will fill my life's ambition
 Saon as daddy let's me drive.

LOSER'S LAMENT

(Heart Of My Heart)

Champ of all Champs, I'm faster of them all,
Loaded with trophies, I've never had a fall,
Watch this technique as I jam it to the floor;
I keep it down,
The engine's wound,
And give it just a little m-o-r-e.

Chump of all chumps, I really BLEW'ER up,
Everything went through the pan;
I know my wife will blow it,
When she sees we'll have to tow it,
I was draggin' her RAMBLER SEDAN.

HAS-BEEN'S HYMN

(Dream)

Dream, when you're feelin' blue,
Dream, I am eighty-two;
Luck . . . I don't have it, ain't won a drag,
My bones start to sag,
Can't make out the FLAG . . . so . . .
Dream, now I can't shift gears,
Dream, racin' all these years,
Old . . . and I know it, still I can't QUIT,
I dream, dream, dream.

Dream, just WHY can't I win?
Dream, when I was young again,
Days . . . they have gone-by — used to run fuel,
Straight alky the rule,
A silly old fool . . . so . . .
Dream, but I'm feelin' good,
Dream, better than I should,
I quit burnin' fuel, now DRINK it instead,
And REALLY dream, dream, dream!

CURB-TO-CURB CARPING

(Air Force Song)

Off we go, into the world of street-drags,
In daddy's car I know I'll be champ,
With bucket-seats, fac-to-ry four-on-the-floor,
Noisy pipes, a go-pedal to tramp.
(RUMP-RUMP-RUMP!)

There's my first — sittin' there on a corner.
An easy win (what's Four-Twenty-Six?),
Now it's one . . . two . . . three . . .
HOW THE AITCH DID HE BEAT ME?
Nobody told me that Chargers and Sprites don't mix!

FUMIN' AN' AFUSSIN'

(On Top Of Old Smokey)

On top of old smoker, my heap is a dog;
The cors for behind me, get lost in the fog.
I'd get me a new one, all shiny on' chrome;
Ten corbs with four blowers, and push-button comb.
It'd ride thirteen people, with room left to steer;
Eight lights on the frontend; sixteen in the rear.
I'd abandon my clunker, except that I'd sob;
I'd better just settle for a cheopie-ring-job!
